#### E.A. WALSH GENERAL STORE

Mr. and Mrs. Ed Walsh of Pearl Street, Mattapoisett will find this week's cover brings back some fond memories and the rest of the population will recall this structure with nostalgia. This picturesque General Store stood opposite Center School and Mr. and Mrs. Walsh operated one of the more interesting and varied business establishments in town. Everything from food to hardware was available under this roof. That old artist - time - had given the structure the quality of a painting in this photo

loaned to us by Mr. Fred V. Trocchi who purchased the store when the Walshes retired. The building was torn down and the

### New Teachers' Agreement

TEACHERS' CLUB AND SCHOOL COMMITTEE CONCLUDE AGREEMENT

The Teachers' Club of the Old Rochester Regional High School and the School Committee of the Old Rochester Regional School District have concluded an agreement for the school year starting September 1, 1971. The contract specifies a salary schedule ranging from \$7,100.00 to \$11,400.00 for teachers with a Bachelor's Degree. This schedule is, of course, suspended pending conclusion of the Wage-Price freeze.

The increase in total salary, including payment for advanced degree, extra curricula activities, advisorship, coaching, etc., average 5.2% which parallel the expected 5% increase in the number of students expected to enroll in the fall.

Under the new contract, the number of students assigned to each teacher is increased upward to 20% additional over last year. The agreement also makes tenure teachers eligible to teach an extra (sixth) course for up to half of the year. These

changes have made it possible to reduce the staff in spite of the increase in student population and still provide the wide range of courses offered in previous years.

Other changes include the establishment of a sick leave bank, whereby teachers would deposit up to five days of their accumulated sick leave which would be available for any teacher who has a prolonged illness. Various administrative procedures have been established covering areas such as transfer to vacant jobs, evaluation procedures, etc. The administration will deduct teachers' dues for the Massachusetts Teachers' Association and for their own club. Agreement was concluded to conduct two joint meetings annually between club representatives and the committee to discuss matters of mutual interests.

Members of the Teachers' Negotiating Committee include Mr. Leonard Gonsalves, Mr. Kenneth Peirce and Mr. Ronald Normand. Mr. Robert Marso and Mr. C. Con-

dit Peirce represented the School Committee.

### Letter to The Editor

CONCERN OVER THE SCHOOL PLAYGROUND A thing of beauty? No longer! It is a fact that the Town of Mattapoisett is searching for a new location for its refuse. What a pity that an attractive well kept area in the center of town had to be chosen for this purpose.

Imagination—wonderful! Over the past year this School has had relatively little vandalism as the play area and grounds, with much effort, had been made substantially free of material such as rocks that could be put through windows, etc. Now we have piles of dirt (filled with rocks) and woodchips.

How thankful I am that I will not be one required to supervise our young people at play. Having been over by this area on

many occasions, I have witnessed dirt, rocks and woodchips flying through the air rather continuously. Playing with woodchips is worse than working with them in your garden with gloves on. Splinters abound!

What was our School Committee thinking of when this was allowed? Perhaps the fact that this area was to be acquired for next to no finances, they jumped at the opportunity. However, the combined Bible Schools have donated money, and transportation has been made available to pick up this material. There is always cost involved. It is said that other Towns have had the good sense to turn it down.

Awhile back, the School Committee was approached by a group seeking permission to remove the grass on the baseball diamond and to replace it with stone dust, which the base pads now have, making it more suitable for play. They were turned down! One reason given was that the School Committee wanted and didn't have too much grassed in area for the children. Now they allow this new innovation which when completed does away with a good deal of the grass. The reasoning here is difficult for one to comprehend.

I am deeply disturbed with many aspects of this play area. It is a sight to look at,

MYC CONCLUDED 1971 RACING SEASON Mattapoisett Yacht Club concluded its 1971 racing season with a full schedule over the Labor Day weekend. FINAL CONTEST IN THE SATURDAY SENIOR SERIES

The last race in the Saturday Senior Series, postponed from August 28th because of Doria's near hurricane winds and seas, was rescheduled for Saturday, September 4th. Fifteen boats vied in three classes with sunny skies and brisk 10-15 mile wouth winds prevailing throughout the afternoon.

Heather, Lorelei, Irish Eyes and Hep Cat were the winning craft.

The first class to start, the Handicap Division, headed out of the harbor on a 11 1/2 mile, triangular course to Nye's Ledge Black Bell 9A, to West Island Ledge Red Bell 2 and finish at Ned's Point.

On corrected time, Heather was the victor by 02:25 over Fred Klein's Hypotheosis. John Malcolm's Witch of Agnesi finished 02:06 later for third place.

### Conservation Plans

YOUR COMMISSION AT WORK

The Mattapoisett Conservation Commission held its first meeting of the fall season on Tuesday night, September 7th. Elected until 1972 as chairman was Mr. N. Floyd Tinkham. Vice-chairman will be Mr. Ralph Sanford, secretary and publicity for the committee will be Mrs. Bette-Jean Rocha.

Other members of the committee are Mrs. Barbara Welling and Mr. Ronald Jensen. Associate members include Mr. Mark Harris, representing the Grange; Mrs. Eleanor Johansen, Mr. James Shepley, Mrs. Marjorie Doran and Mr. John Denham.

Some of the commission's main objects is the preservation of the coastal waters and wetlands plus the pursuit of land area solely for the purpose of conserving for future generations that which we have had in the past.

Mr. Tinkham reported that the surveying of the new town forest, The N. Floyd Tink-ham Town Forest, has not yet been completed but hopes are that this will be done so any future plans may begin in the spring.

A public program, which will be of interest to area residents, is being planned for before the end of the year. Mr. Jensen is chairman for the project and indications are that this will be a very informative evening.

The Conservation Committee meets the first Tuesday of each month at 7:30 P.M. in the Town Hall, and any person with questions, problems or interest in developing

their land for conservation is invited to attend.

### TOBEY HOSPITAL GUILD MEETING

The first meeting of the Tobey Hospital Guile will be on September 30th at the Congregational Fellowship Hall in Wareham. There will be a Dutch Treat Luncheon at 12:30. Reservations should be made by September 24th with any of the following Guild members: Mrs. Robert Coyne, Mrs. Charles Drake, Mrs. John Gayoski. The regular meeting will follow the luncheon at the Fellowship Hall.

CAPEWAY SOFTBALL LEAGUE CLOSES SUCCESSFUL SEASON WITH BUFFET

The Capeway Softball League's 1971 season officially ended last Friday night with an awards buffet at The Nest. In addition to the presentation of the Championship and Commissioner's trophies to Capeway Cafe and Fish on the Wharf respectively, twelve individual presentations were made to those players named to the league's first annual all-star team。 Heading the all-star balloting by the managers and recipient of the MVP trophy was Jimmy Macomber. "Mac" pitched and batted Fish on the Wharf to a second place finish over the regular season and to the playoff crown with three consecutive conquests of the tough Rochester Men's Club. All in all, Capeway Cafe and Fish on the Wharf placed four men each on the All-Stars, while Linhares' Construction and the Rochester Men's Club each had two players named.

In addition to Macomber, Fish on the

Wharf representatives included centerfielder Richie DeMello, shortstop Gary Bobola, and second baseman Bobby Sherman. Named from Capeway were first sacker, pitcher Frank Silva, third baseman Denny Akin, rightfielder Mike Sylvia and hurler Jimmy Correia. Outfielder Jim Hubbard and catcher Mike Brito were Linhares' choices, while outfielder Glenn Reed and infielder Rollie Martin were the Rochester selections. Bob Marsegila, Capeway Cafe manager, accepted the Championship trophy from League Commissioner Len Roberts. The Commissioner's trophy was presented to Fish on the Wharf manager John DeMello.

SPORTS COMMITTEE TO SPONSOR DANCE Saturday, September 25th, is the date for the Fall Dance, sponsored by the Mattapoisett Sports and Athletic Committee.

Music will be by Lou Columbo and his orchestra. This aggregation received an enthusiastic response when they appeared at the committee's summer dance in June.

Once again the K of C Hall on Route 6 will be the scene of activities, and refreshments will also be served.

Tickets may be purchased from any committee member or at the door.

The funds raised from this dance will be used to purchase athletic awards for the

### Tobey Works toward Goal

TOBEY HOSPITAL BUILDING FUND PASSES \$1,900,000 MARK

With the summer of 1971 coming to a close, the first summer of the Tobey Hospital's three-year fund-raising campaign for its new \$3,000,000 wing, there are many things beside the good weather to remember favorably. Many successful projects were completed, including a prize-winning float for the Fourth of July parades, a profitable Tag Day in Wareham and Onset, completion of the initial campaign in Rochester as well as strong beginnings in Marion, Mattapoisett and Wareham, and several special events held by local groups to benefit the Building Fund.

Although the Fund still has over one million dollars to be raised the first phase has been most encouraging and has brought in more money than the Hospital ever raised before. Considering the economic uncertainties of the times this is a great accomplishment and one that is entirely due to the hard work of many volunteers and the warm response of over 1,000 contributors.

The money-raising effort will continue through the Fall with the Ladies Guild already planning another Tag Day on October 9th, campaigns getting underway in Bourne

### 'Alternate School'

Recently, the School Committees of Marion and the Old Rochester Regional School District voted to support a cooperative venture with the University of Massachusetts in establishing an "Alternative School" for 50 children.

Scheduled to be located in the Marion Town Hall Auditorium, the school will seek to enroll four to five children at each grade level from the first grade through the senior year of high school. Students will be chosen from volunteers with the support of their parents. An effort will be made to reflect in the school the same ethnic and racial balance that currently exists in the com-
